

FAT FUCK

You fat fuck
You're worthless and lazy
You fat fuck
You're batshit crazy
You fat fuck
You're soulless and empty
Probably the biggest piece of shit in history

You fat fuck
You ass-munching dick hole
You fat fuck
You psychotic sicko
You fat fuck
You're straight-up pathetic
Too fucking stupid to ever even get it

CHORUS

And I hope, hope you die
A noose for your necktie
Wouldn't it, wouldn't it be fun?
To suck on my shotgun

You fat fuck
You pole-smoking bitch-ass
You fat fuck
Just neurotic white trash
You fat fuck
You're so fucking clueless
You still believe all of your bullshit

CHORUS
