

## LIFE'S A BITCH (GIMME A BEER)

This 8 to 5 grind  
is gettin' on my last nerve  
Life is a bitch, gimme a beer  
My girlfriend says its time  
she kicked my ass to the curb  
Life is a bitch, gimme a beer  
Sometimes I ask myself  
why do I even care?  
Life is a bitch, gimme a beer  
Ah Yeah.

I'm tired of talking heads  
trying to tell me how to feel  
Life is a bitch, gimme a beer  
I'm tired of Uncle Sam  
and his fucking license to steal  
Life is a bitch, gimme a beer  
I'm tired of every political hack  
trying to tell me that they care  
Life is a bitch, gimme a beer  
Ah Yeah

### CHORUS

Life is a bitch, gimme a beer  
I think I'll drink until I don't care  
Life is a bitch, gimme a beer  
I think I'll drink until I don't care anymore.  
No More

I'd like to stand on Wall street  
tell 'em all to go to Hell  
Life is a bitch, gimme a beer

And the fat-cat CEO  
he can tag along as well  
Life is a bitch, gimme a beer  
I'd like to take my .45  
and take 'em out I swear  
Life is a bitch, gimme a beer

## CHORUS

The bills keep piling up  
I don't think I can pay  
Life is a bitch, gimme a beer  
Final notice came and went  
I'm sitting in the dark today  
Life is a bitch, gimme a beer  
I'll say this one last time  
and I hope you all can hear  
Life is a bitch, gimme a beer

Ah Yeah
