

SHAKE BOX

What used to be a whole lot
Is down to the shakebox, yeah
I won't preach a whole lot
If you get down off your soapbox.
'Cause I just want to sing sad songs tonight.
Yes I do

CHORUS

Cause I'm down down down to the shakebox
And I'm trying to break a headlock
And it's hard to do a whole lot
When you're down, down, down, down, down
To the shakebox

What you got to show for
What you said was your last score
And it's hard to do a lot more
When you're waiting on a phone call
And I just want to sing sad songs tonight.
Yes I do

CHORUS

And I just want to sing sad songs tonight.
Yes I do

CHORUS
